

FOR IMMEDIATE RELEASE

**PacketStorm Communications Announces
MILCOM 2008 Trade Show Exhibit**

Eatontown, New Jersey (November 1, 2008)

PacketStorm Communications® announced today the company will exhibit at the MILCOM 2008 Trade Show at the San Diego Convention Center. The MILCOM 2008 show is from November 16th to 19th.

PacketStorm develops network emulators, route analyzers, and other advanced Internet Protocol test equipment. Network emulators provide "The Internet in a Box" by reproducing the unfavorable conditions of wide area networks in a controllable and repeatable lab setting. Route Analyzers monitor, record, and analyze OSPF traffic. Other Internet Protocol test equipment include custom designed products for specific customer applications.

More information can be obtained by contacting the Sales Department of PacketStorm Communications at (732) 544-2434 x208 or your local PacketStorm sales representative.
